

Call for Paper and Poster Abstracts 2016 Joint Partner Meeting

Idaho Chapter of The Wildlife Society
Washington Chapter of The Wildlife Society
Society for Northwestern Vertebrate Biology
NW Partners in Amphibian and Reptile Conservation

February 22-26, 2016
Coeur d'Alene Resort, Coeur d'Alene, ID

THEME TITLE: Common Resource, Challenges, and Solutions

We invite abstracts for presentations and posters, workshop concepts, mini-symposia proposals, and ideas for other facets of the program. All topics in wildlife, vertebrate biology, habitat management, conservation programs and practices, and application of research findings to conservation and management practices are welcome.

Tentative Schedule:

22 February - Workshops* and Working Group Meetings

23 February - Plenary, Sessions, Posters, Reception

24 February - Sessions, Posters, Banquet*

25 February - Sessions, NW PARC symposium*, and Working Groups

26 February - Field Trips*, Special Events, and Adjourn

**Separate registration required*

Potential sessions being considered at this time include:

- Threatened and endangered species;
- Management of dry forests;
- Ponderosa pine ecosystem;
- Shrub-steppe – new challenges;
- Latest updates in technology;
- Bird / bat interactions with structures
- Terrestrial mollusks
- Freshwater mussels
- Other topics that complement the shared wildlife conservation and management nexus, including ecology, conservation, and management of invertebrates, amphibians, reptiles, birds, and mammals; habitat management and habitat connectivity; invasive species; sampling techniques; and much more.

Also, we are hoping for a wide range of topics in Contributed Papers from aquatic to shrub-steppe species, to high alpine species.

We strongly encourage all students to present Posters or Oral talks.

Workshops and symposium are still in the planning process. We are currently considering the following:

- Terrestrial mollusk ID and distribution in the NW
- Environmental DNA methodology
- Yellow-billed Cuckoo survey protocols and ESA regulations
- Large mammal handling and chemical immobilization
- Basics of telemetry
- Conservation Across Borders (NW PARC symposium)

Do you have any workshop or session suggestions?

Both Idaho and Washington meetings recently included an IGNITE session. These short to-the-point talks provide a great platform for people to quickly share project updates, notes from the field, or other important topics that don't require a full 20-minute presentation. IGNITE talks are short (e.g., 5 minutes) and each slide in a presentation is left on the screen for a very short time period (e.g., 15 seconds). We are considering using this approach in a dedicated session this year. Please see the description of IGNITE sessions at <http://thesnvb.org/wp-content/uploads/2015/07/Ignite-at-2016-Joint-Partner-Meeting.pdf>

Abstracts for oral presentations and posters must be submitted electronically as Microsoft Word documents by **September 30, 2015**. Please follow abstract preparation instructions below. (Instructions are also available at <http://thesnvb.org/annual-meeting-2016>)

For more information or to volunteer contact Steering Committee Chairs:

Danielle Munzing (Danielle.Munzing@dnr.wa.gov), WA-TWS;

Teal Waterstrat (teal.waterstrat@gmail.com), SNVB;

Aren Eddingsaas (aeddingsaas.sbtribes+ICTWS@gmail.com), ID-TWS;

Betsy Howell (blhowell@fs.fed.us) or Kris Kendell (kris.kendell@ab-conservation.com), NW PARC

For more information about the meeting visit <http://thesnvb.org/annual-meeting-2016>

POSTER PRESENTATION GUIDELINES:

Each poster should be contained within a 3 foot-high x 4 foot-wide area. Contact Jeff Kozma at kozj@yakamafish-nsn.gov directly if you have additional questions about display boards and/or the size of your poster.

Be sure to submit an abstract for your poster by **September 30, 2015** - See abstract guidelines.

Note for Illustrations Associated with Oral Presentations:

Visual support for oral presentations will only be allowed in PowerPoint format for PCs (Apple-based format will not be acceptable). PowerPoint presentations should be MS-Office 2010 or earlier version to ensure greatest compatibility with anticipated projection equipment and computer support. As always, give credit where credit is due by naming the image owner. If an image is copyrighted, then get permission from the image owner before using it.

***** Abstract Deadline: September 30, 2015 *****

ABSTRACT GUIDELINES:

These guidelines are formatted to SNVB standards to facilitate publishing abstracts from oral presentations in the journal Northwest Naturalist. **Please specify on the first line either “oral presentation” or “poster presentation”.** Please limit abstract to 250 words. Submit abstracts for presentations and posters to 2016.jointmeeting.abstracts@gmail.com. If you have questions, contact Jeff Kozma at kozj@yakamafish-nsn.gov.

Let us know if you are a student and would like to be judged for Best Student Paper or Best Student Poster.

Use Times New Roman, 12-point font.

Title.—Capitalize first letter of each substantive word (Title Case), **Bold Face**, end with a period. Note that articles and prepositions are not capitalized unless they are the first word of the title: the second half of a hyphenated term is not capitalized.

Author name(s).— Follow directly after title, standard face, type in upper and lower case. Place an asterisk next to presenting author (need not be the first author).

Author address(es).—*Italicize.* If authors have different addresses, follow each author name with the appropriate address; spell out street addresses, but use state or province acronyms, no comma between state and zip code, include the name of the country if other than the United States or Canada; separate street address and email address with a semi-colon.

Abstract.—New line, Indent. Single space and type in upper and lower case. The abstract should summarize the paper with an emphasis on results and interpretation. Only small capitals and italics are retained, so please do not use bold face or any other non-standard type face in the body of the abstract. Leave only 1 space between a period and the start of the next sentence. Scientific names should be italicized and should accompany the 1st use of the Standard English Common Name. The first letter of each word for common names should be capitalized [e.g., Yellow-billed Cuckoo.

For example:

Oral Presentation

Monitoring American Marten on the East Side of the North Cascades of Washington.

Danielle Munzing*, *Washington Department of Natural Resources, 1111 Washington Street Southeast, Olympia, WA 98501; danielle.munzing@wadnr.gov*; William L Gaines, *Okanogan-Wenatchee National Forests, USDA Forest Service, 215 Melody Lane, Wenatchee, WA 98801; wgaines@fs.fed.us*

We used track plates to monitor American Marten (*Martes americana*) over two field seasons in 2003 and 2004 to test the efficacy of applying this technique to late-successional reserves on the east side of the North Cascades. We stratified our sample area into wet and...
